1 INT. BEDROOM - EVENING

1

A young male, Sam (22, shaggy brown hair) works on his computer. Music plays from the old 8 track that his computer is plugged into. The room is bare except for a long line of books on the floor, a black enamel bird, and a desk. He is surfing the internet ideally, looking at weather, various news articles. His roommate, Hammet (22, tall & handsome with long blonde hair)) enters the room.

HAMMET

Sam, hey com'on...

SAM

(not looking)
yeah, alright...just a sec.

Sam shuts his computer off and grabs his jacket and follows Hammet out of the house.

1 INT. BEDROOM - EVENING

1

The sounds of an OLD BLUES ALBUM play from an 8 track player hooked into a laptop. On the floor sits SAM (22, male, with shaggy brown hair) reading a weathered paperback detective novel. On one side of him a row of books lines the wall on the other a mattress with a sleeping bag on it.

His roommate, HAMMET (22, tall & handsome with long blonde hair) leans into the room. He takes a big bite of a Slim-Jim.

HAMMET

Hey we're late.

SAM

(still reading)
Almost done.

Sam finishes the page and hops up. Grabbing his jacket he follows Hammet out.
